## WHY CHOOSE US?

Our consultants have a combined 50 years of experience in general and commercial aviation. With this experience we provide immediate value to our clients; getting to the heart of the problem, offering appropriate solutions and achieving the results that clients are looking for. We train ourselves to stay up-to-date with the latest technologies and, when necessary, work with other insurance specialists.

## WORLDWIDE COVER

Our insurance policies cover recreational or business use and offer a worldwide cover for air and ground incidents; traveling, at remote locations, at home. Not only drone equipment but also your other ground equipment can be included in the same policy.
